

Hanyang International Summer School

Research Project Student Application Form

Internship Application Form

This form is the application for the Hanyang International Summer School(HISS) Research Project. Hanyang International Summer School conveys the information contained in this form to the participating professors and placement organizations to assess each application. Your application will stay in our database until the date of August 15 of this year.

Research Projects are offered as an academic course during the HISS for 3 Hanyang University credits. The minimum contact hour for each Research Project is 80 hours, working on Monday to Thursday during the Hanyang International Summer School. You must be a Hanyang International Summer student to be eligible to apply. Please note that regular Hanyang students are NOT eligible for HISS Research Project.

Even if you are eligible, there is no guarantee of placement. We receive more applications from qualified candidates than we can place. We do not respond to each and every candidate. If selected, you will be directly contacted by HISS team. If you do not receive any update, it means that your application has not been successful.

Submitting your application and documents

Complete this application form, attach a certified copy of your academic transcript/s and email to HISS team at researchprj@hanyang.ac.kr. You are allowed to submit only one application. A certified version of academic transcript listing all the courses taken and certificate(s) obtained from completing the relative activities stated in the application must be also submitted. All documents must be submitted in the form of PDF, with the title as below:

1. Application_YOUR NAME.pdf
2. Academic Transcript_YOUR NAME.pdf
3. Certificate(s) from Relative Activities_YOUR NAME.pdf

APPLICANT'S STATEMENT

By signing below, I affirm and certify that all the information and answers to questions herein are complete, true and correct to the best of my knowledge and belief. I understand that any misrepresentation, falsification, or omission of any facts called for in the application may render this application void and will be cause for termination or dismissal, whenever discovered.
